# About ECCE DU

## Our vision

We want to be the leading provider of educational programs which equip the next generation with the knowledge, skills, and confidence they need to succeed in their careers. We believe that in addition to the classroom experience, there should be a place of sharing between students and experienced professionals. We create a new model of education which prepares students for the challenges and opportunities of the modern workplace.

# ECCEDU Members

# Testimonials

Even if I won't remember everything I learned with the program, I learned very useful things that will definitely stay with me and help me get the career I want. I honestly felt like I learned more useful information about the different fields of law and the practice of them in 3 weeks at ECCEDU than in a year of class at university - **Loic Cote**

What exceeded my expectations by far was the organization. Everything was perfect - their schedule was perfect, the lecturers were perfect... This is what makes all the difference in a course: when you see that people are really doing their best to make sure you have the best experience possible - **Isabela Porto**

# Testimonials

I believe this program has so much to offer in terms of getting additional knowledge and getting ready for professional life. Especially, with the internships, it is amazing to be able to meet professionals and gain career experience - **Melisa Seren Celik**

Thanks to the ECCEDU study program, I had a chance to make networks with new people. I had a chance to see how I could use the subjects that I learned from my university in a professional view. Now, I have a clear idea in my mind about which legal field I want to choose for my career life - **Siyuan Fu**
